

# Global Executive Solutions

We solve your cross-border business challenges by supplying executive level Interim & Transformation Managers

[www.ixpa-interim.com](http://www.ixpa-interim.com)

---

**IXPA has 15 partners across 19 countries on 4 continents who deliver business change, transformation and restructuring globally.**

# Key Advantages

Collectively IXPA partners have over 150 years experience providing business solutions to our customer's decision makers

# Accountability

IXPA's partners work individually and in collaboration to ensure that your global requirements are delivered efficiently.

## The Process

### 1. Discovery

Evaluating your current business situation.

### 2. Solution

Developing a “best in class” plan to reach your desired outcome.

### 3. Funding

Business case approved and funding secured.

### 4. Strategy

A detailed plan is developed with targets, roadmaps and benchmarks.

### 5. Delivery

Introducing executive level Interim Managers to deliver the project.

**Our proactive approach and cross-border capabilities set us apart from other providers of executive transformation.**

# Working With Us

By choosing IXPA you will have a single point of contact either in the country of your HQ or in the country of your subsidiary.
